

Please provide related data

SERDES

-  Data rate
-  Jitter
-  Cable length
-  Number of parallel bits - serializer, deserializer
-  Voltage levels- common mode, differential mode

SSCG

-  Modulation Profile
-  Hershey Kiss profile / triangular profile
-  Modulation frequency
-  Modulation span
-  Centre Frequency
-  Spreading type- upspreading/down spreading/centre spreading

Differential signaling standards

RSDS/LVDS

-  Data rate
-  Cable Length
-  Jitter
-  Number of parallel data bits

RSDS - as per RSDS standard
